Question 3:

Using Report Visualize Prompt, allow Regional Sales Managers to select a visualization type (Bar or Column) to view Regional Revenue Comparison across all 6 regions. Add a filter prompt for Sales Channel. Summarize top and bottom performing regions as text. Apply Blue font color for all numeric columns.

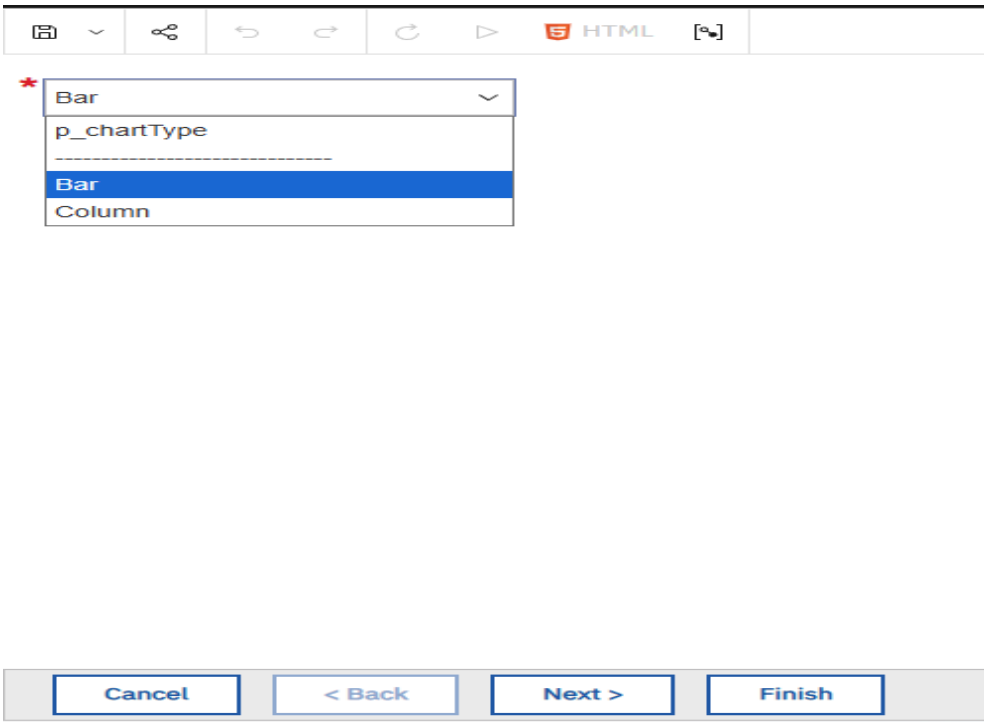
Objective:

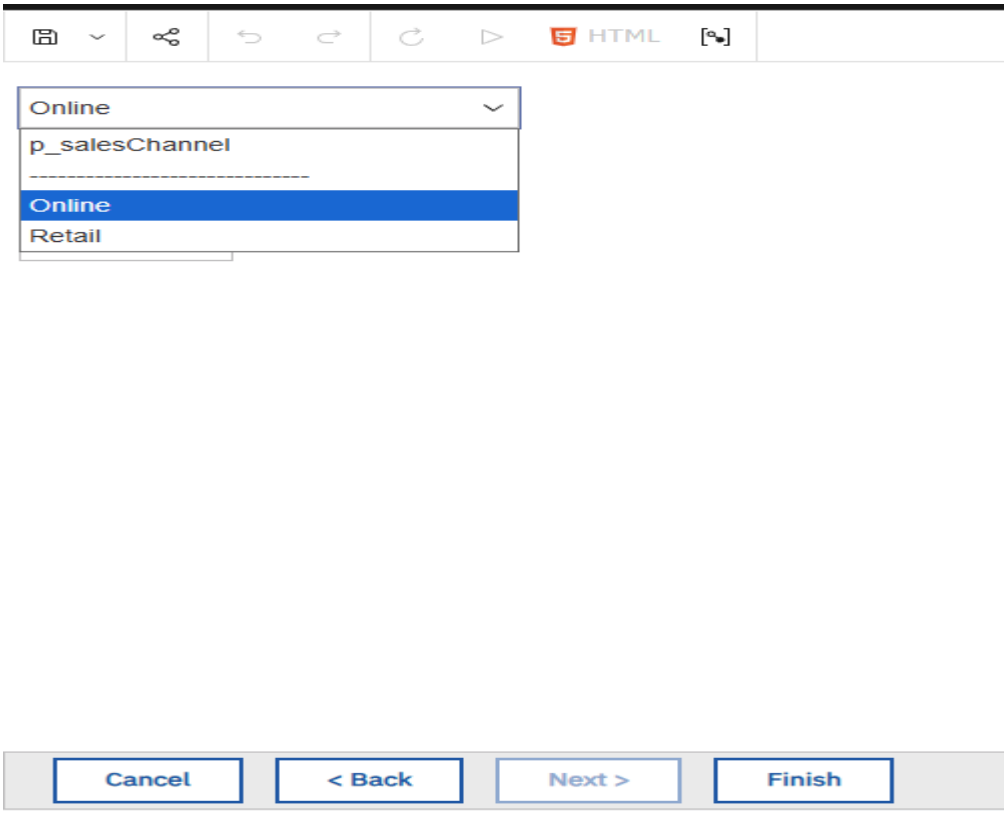
To compare revenue by region with user-selected chart type.

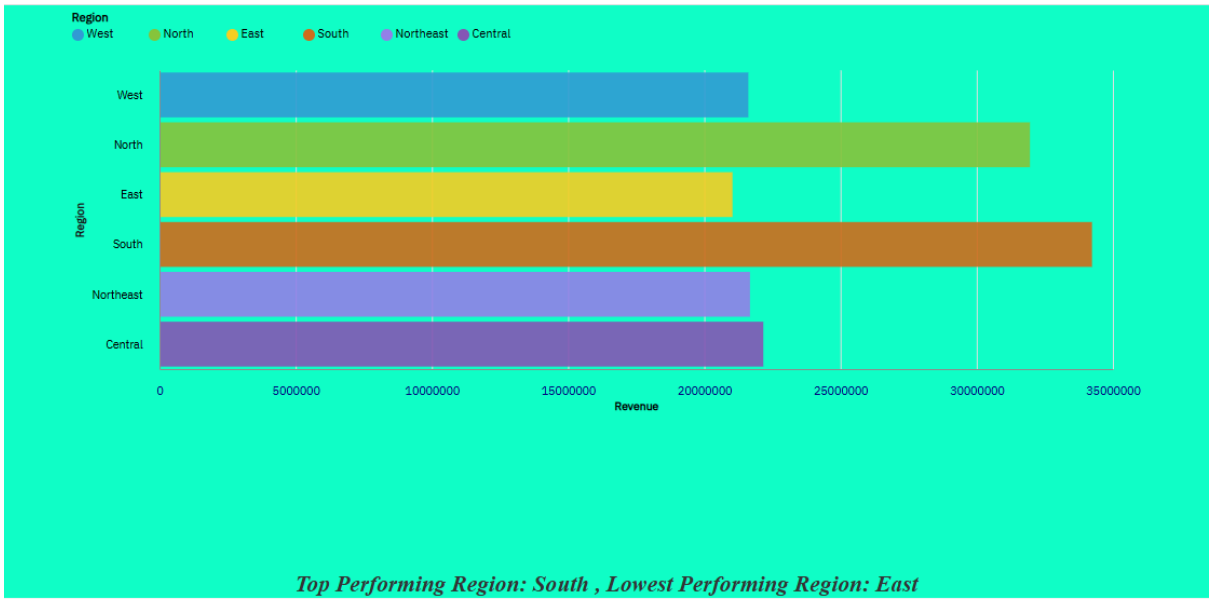
Steps Performed:

- New → Report
- Add: Region, Revenue (Sum)
- Add visualization prompt (Bar / Column)
- Add filter prompt: Sales Channel
- Change numeric values color to Blue
- Add text: Top and Bottom regions
- Save Report

Final Output:







Region
West
North
East
South
Northeast
Central
Region
West
North
East
South
Northeast
Central
0
5000000
10000000
15000000
20000000
25000000
30000000
35000000
Revenue
Top Performing Region: South , Lowest Performing Region: East
